DECLARATION OF RICHARD VON HOLST

Attn: Office of Petitions
MS Petition
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

I, Richard von Holst, hereby declare as follows:

1. I am the docketing manager for Marshall Gerstein & Borun, the former employer of Michael R. Hull and the former attorneys of record for the above-referenced application.
2. Our docketing department received the notice attached hereto as Exhibit A on March 3, 2006. I know this to be true because of the "MARSHALL GERSTEIN" March 3, 2006 date stamp on the front cover page of the notice (Ex. A).
3. It is the policy of Marshall, Gerstein & Borun and the longstanding business practice for the central services department of Marshall, Gerstein & Borun to date stamp all correspondence received from the USPTO on the day received, without delay and without variation and then to deliver the USPTO mail to the docketing department. March 3, 2006 was a Friday; upon information and belief, the notice of Ex. A was received at our firm on Friday, March 3, 2006 and not before.
4. It is also our practice *not* to journal or log USPTO mail for transferred files. The above application was transferred on September 14, 2005. A copy of my letter to Mr. Hull's partner, Thomas Miller, is attached along with the docket report for all transferred

cases at Exhibit B. The above-referenced application is listed on page 3 of the docket report. See the September 20, 2005 entry. I prepared the docket report attached at Exhibit B.

Because this application was transferred to Miller, Matthias & Hull on September 14, 2005, our docketing department did not journal or log the date of receipt of the notice of Exhibit A; on March 3 but, instead, ~~was not journal or log the date of receipt of the notice of Exhibit A; on March 3 but, instead,~~ promptly sent it to Miller, Matthias & Hull.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code.

Dated: March 10 2006

Respectfully submitted,

By Richard von Holst
